THE
STATIONER
To the
READER.

Courteous Reader, I here pre-
sent you with a small Copy
of the *World* drawn by an English
pencil from the Original of the fa-
mous Monsieur Du Vall, Geogra-
pher to the French King. Though
it seem too small a Volume to per-

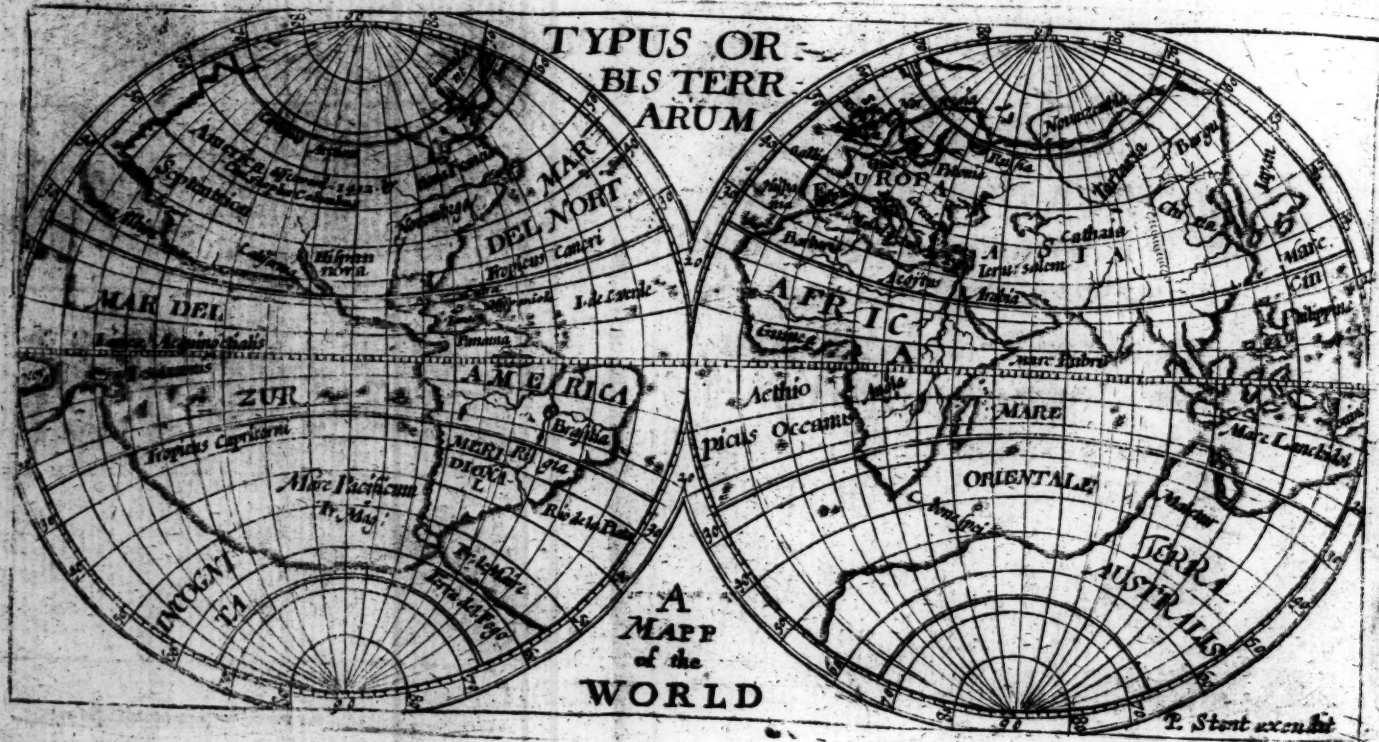

form the promise the Title Page
makes you, yet upon perusal you
will find it satisfied, and that seem-
ing defect amply repaired by the con-
venience (a greater bulk would not
afford you) to make it your constant
Companion, without abating you
the knowledge of any place conside-
rable, either for Prærogative, Hi-
storical observation, or Commerce, to
which end it was only designed;
Peruse it, and enjoy the benefit.
